parallel — Spark / MapReduce / Python (Hadoop VM)

This folder must appear on the VM as:

/home/bitnami/uk_housing/parallel/

(sibling of /home/bitnami/uk_housing/data/).

```
source /home/bitnami/uk_housing/parallel/env.sh
bash /home/bitnami/uk_housing/parallel/start_services.sh
bash /home/bitnami/uk_housing/parallel/run_benchmark.sh
```

Fix CRLF once: sed -i 's/\r$//' *.sh mr_kmeans/*.sh

Full warnings and layout: root README.pdf section 5.
